Who is He?      Who is He?

THIS question having been repeatedly asked during the last few days, THE MAMMOTH begins to regard it as a personal matter, although, to tell the truth, he feels rather flattered that his friends do not recognize him as he now appears. He assures them that he is the same venerable animal that he always was, only to keep up with the times he has reduced his gauge.

After Taking.

## Specific Medicine.

Cures all Nervous Diseases, such as Tremors, Debility, Prostration, etc., which, in many cases, are produced by over indulgence in the use of tobacco and alcoholic spirits; but the Specific Medicine is more especially recommended as an unfailing cure for Seminal Weakness, Spermatorrhea, Impotency, and all diseases that follow as a sequence of Self Abuse, as Loss of Memory, Universal Lassitude, Pain in the Back, Dimness of Vision, Premature Old Age, and many other diseases that lead to Insanity or Consumption and a Premature Grave, all of which, as a rule, are first caused by deviating from the path of nature and over indulgence.

The Specific medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to every one.

The Specific Medicine is sold by all Druggists at \$1 per package, or six packages for \$5, or will be sent by mail on receipt of the money, by addressing

DR. BRODIE'S  
**\$1. HOSPITAL REMEDIES. \$1.**  
 WILL GIVE YOU  
**HEALTH!**

**A NEW DEPARTURE IN MEDICINE.**

The four greatest medical centres of the world are London, Paris, Berlin and Vienna. These cities have immense hospitals teeming with suffering humanity. Crowds of students throng the wards studying under the Professors in charge. The most renowned physicians of the world teach and practice here, and the institutions are storehouses of medical knowledge and experience. With a view of making this experience available to the public the Hospital Remedy Co. at great expense secured the prescriptions of these hospitals, prepared the specifics, and although it would cost from \$25 to \$100 to secure the attention of their distinguished originators, yet in this way their prepared specifics are offered at the price of the quack patent medicines that food the market and absurdly claim to cure every ill from a single bottle. The want always felt for a reliable class of domestic remedies is now filled with perfect satisfaction. The Hospital Remedies make no unreasonable claims. The specific for CATARRH cures that and nothing else; so with the specific for BRONCHITIS, CONSUMPTION and LUNG TROUBLES; RHEUMATISM is cured by No. 3, while troubles of DIGESTION, STOMACH, LIVER and KIDNEYS have their own cure. To these is added a specific for FEVER and AGUE, one for FEMALE WEAKNESS—a GENERAL TONIC and BLOOD-MAKER that makes blood and GIVES FORM AND FULNESS, and an incomparable remedy for NERVOUS DEBILITY.

- NO. 1—CURES CATARRH, MAY, FEVER, ROSE COLD, CATARRHAL DEAFNESS.**—The only authentic cure emanating from scientific sources now before the public. This is not a snuff or ointment—both are discarded as injurious. \$1.00.
- NO. 2—COUGHS, COLDS, BRONCHITIS, ASTHMA, CONSUMPTION.**—An incomparable remedy; does not merely stop a cough, but eradicates the disease and strengthens the lungs and restores wasted tissues. \$1.00.
- NO. 3—RHEUMATISM AND GOUT.**—A distinguished and well-known specialist in this disease in Paris, who treats nothing else, built his reputation on this remedy. \$1.00.
- NO. 4—LIVER AND KIDNEYS, DYSPEPSIA AND INDIGESTION, CONSTIPATION and BRIGHT'S DISEASE.**—A jacobite slaughter-field for the quack who has ruined more stomachs than alcohol. Use a remedy sanctioned in high places. \$1.00.
- NO. 5—FEVER AND AGUE; DUMB AGUE, MALARIA, NEURALGIA.**—Few know what gives damage this does the system; it is treated to break it for a time. Use a remedy that eradicates it. \$1.
- NO. 6—FEMALE WEAKNESS, IRREGULARITIES, WHITES.**—Many women are broken down because they neglect these ailments until chronic and seated. Use No. 6 and regain health and strength. \$1.00.
- NO. 7—HEALTH, FORM AND FULNESS** depend on good blood and lots of it. If weak, if blood is poor, if scrawny, use this perfect tonic. \$1.00.
- NO. 8—NERVOUS DEBILITY, LOSS OF POWER.**—A quack-cridden public will hail a genuine remedy for an unfortunate condition. No. 8 is golden, which one trial will prove. Beware of ignorant quacks who charge high prices for the most worthless drugs and pills, the properties of which they are utterly ignorant, and who expose you by selling your confidential letters to others in the same nefarious business. Use No. 8 and live again. \$1.00.

**TO BE HAD OF ALL DRUGGISTS.**

If your Druggist does not keep these remedies, send price to us and we will ship to you direct. Beware! Take no other remedy, no quack cure-all medicines and use instead these high-class Hospital Remedies which emanate from scientific sources and thus protect your life.

### **CUPID'S HARNESS.**

Most women naturally look forward to matrimony as their proper sphere in life, but they should constantly bear in mind that a fair, rosy face, bright eyes, and a healthy, well-developed form, are the best passports to a happy marriage. All those wasting disorders, weaknesses, and functional irregularities peculiar to their sex, destroy beauty and attractiveness and make life miserable. An unfailing specific for these maladies is to be found in Dr. Pierce's Favorite Prescription. It is the only medicine for women, sold by druggists, **under a positive guarantee** from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrappers, and faithfully carried out for many years. \$1.00 per Bottle, or Six Bottles for \$5.00.

OUR success in making accurate fits and putting in nothing but  
 Lenses that we can depend on, has been so decided that  
 it has compelled us to pay greater attention to this Department  
 than ever. We have been able to correct many errors of vision  
 during the past few months, such as an aching after using the  
 eyes, short sight, long vision, blurring of objects, pain in the head  
 over the eyes, due to eye strain, weak eyes, smarting of the eyes  
 and lids, red or inflamed eyes, due to too much use. These affec-  
 tions can all be removed by properly fitting the eye with Spec-  
 tacles. We have also Cataract Lenses in stock, colored glasses  
 for snow blindness.  All Goods Guaranteed on Twenty Days'  
 Trial. Frames of all kinds. The TESTING of your eyes Costs

**WOODEN** culverts are unsightly, dangerous, expensive, short-lived.

### Which kind of a culvert does your waggon cross?

**CULVERTS OF CONCRETE**

which not only cannot be washed away, but actually grow stronger with age and use.

Every farmer owes it to himself to insist that the money he pays for road-taxes be spent to the best advantage. As a ratepayer, he is entitled to the best roads that can be made with that money. When culverts are washed out, and the road rendered impassable, he not only suffers inconvenience but may also be caused financial loss by inability to get necessary supplies in time for spring planting. And at best, with wooden culverts, part of the money that should be used to make better roads must be spent every year for repairs.

## PURITY FLOUR

There is more actual food value in ONE POUND OF PURITY FLOUR than there is in One Pound of Beef, One Pound of Potatoes and One Pound of Milk COMBINED.

The truly economical housewife must take advantage of this great strength in PURITY FLOUR over other food substances by serving more frequently the delicious bread and rolls, toothsome, dainty cakes and crisp, mouth-melting pastry which are among the possibilities of this perfectly milled product of the world-famous Western Canada wheat.

# You earn more than Savings Bank interest — When you use Sunlight Soap

WHEN you put a dollar in the bank it may earn as much as four cents in a year's time. When you use Sunlight Soap for doing the family wash you save many dollars a year because of the protection this pure soap gives to the family linens.

Sheets, pillow cases, towels, shirts, dresses and napery — these are all expensive. It costs a lot of money to replace them.

Harsh, impure soaps break down and wear out fabrics at a ruinous rate. Sunlight Soap, made by the makers of Lux, and backed by a \$5,000 Guarantee of Purity, keeps the bloom of newness on fabrics and greatly prolongs their life.

## The Choice of Millions

Because Sunlight is so efficient and so safe, it is the largest selling laundry soap in the world.

It costs no more than ordinary soaps.

## *No Boiling — No Rubbing Just Rinse with Rinso*

A package of Rinso is a package of miniature soap bubbles.

You simply dissolve for 25 seconds the tiny bubbles in hot water, soak the clothes a couple of hours, or over night, rinse them well in clean water and—that's all.

Result—clean, sweet-smelling clothes, hours of time saved and the hand work changed to just rinsing.

Rinso dissolves the dirt, you rinse it out.

R-457

You will never know how easy it is to do the washing until you've used Rinso, the greatest time and labour saver the housewife has ever known.

said Helen to her husband—

“That was a wonderful idea of yours, Fred, that I should alternate my letters to mother with telephone calls.

“She misses me a good deal, and she was just delighted when she heard my voice. We talked over a lot of things, too — settled more questions in three minutes than we could have done in twenty letters.

“And it's so much easier than writing! We were both so pleased that I've arranged to call her every Wednesday night now—”

To bridge those unavoidable gaps, there is nothing like an occasional talk by Long Distance. For a few minutes the miles are rolled away and sundry friends are brought face-to-face.

You know it means you will not have to buy rubber boots as often as before, because Life-Buoy "Snag Proof" boots will last you longer.

The Kaufman Laboratories have found the way to cure rubber without the perishing heat used heretofore. The LIFE and elasticity are left in Life-Buoy Rubber.

A specially woven fabric base is used, every fibre of which is permeated and impregnated with purest fluid rubber. This means a moisture-proof, non-rotting base for the high-grade Kaufman-cured rubber surface.

There is no substitute for Life-Buoys.

## "He says they're safe!"

Joe Griffin and his wife had doubts about letting the children go to school that morning. Every sign pointed to a blizzard and sure enough, about two o'clock, it broke. A terrible storm.

Joe was terribly worried and so was his wife. Then he thought of the telephone. He called Jim Stokes, who lives just down the road from the school and asked him to watch for the children.

Twenty minutes later Jim called back. He had the children in his kitchen, safe and warm. "I'm certainly thankful we've got a telephone," Joe said. "We couldn't do without it," his wife agreed.

Suppose it were *your* loved one being made ready for the climax of this grim struggle with Death. Anxiously you await the outcome—hoping against hope—praying that these men in white will not fail. Your heart is in their hands, but all their skill, and all their specialized knowledge would be powerless should those operating room lights *go out* at a critical moment.

But those lights will not fail . . . nor will the power to operate the many delicate electrical apparatus used in modern surgery today.

Outside the operating room is an organization of highly trained Hydro men, whose duty it is to see that nothing is allowed to interrupt Hydro service, and to be ready for instant action in any unforeseen emergency.

The service which Hydro provides to, and widens the scope of, medical science in Ontario is the same service that brings so many comforts and conveniences within the rooms of your own home—lowered production costs to industry—greater utility and facilities to commerce—a greater measure of prosperity to all in Ontario.

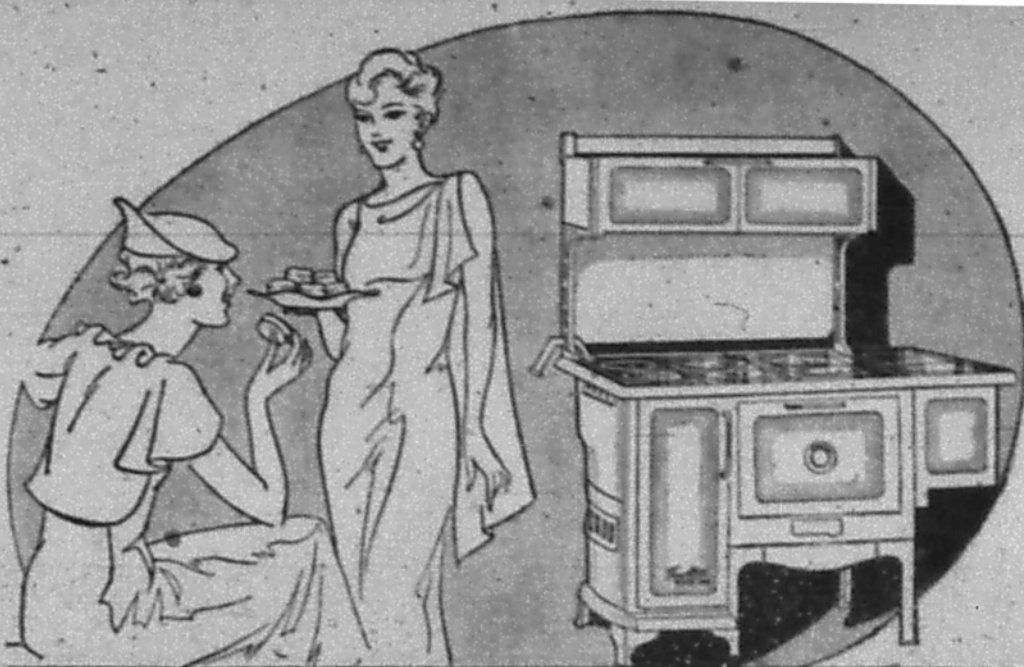

The Hydro of today is striving to extend the benefits of low cost electricity everywhere in the Province, and to making every effort to still further reduce power costs. As a partner in this gigantic enterprise you should be vitally interested in these efforts.

**What a BEAUTIFUL range!**

Yes, what a delight to the housewife to have a range like the Super Oval which will produce just the results you have always hoped for in cooking—and which is a real ornament to the home. The buying of a range happens only once or twice in a lifetime—yet it is in everyday use—so why not get the best—a Findlay SUPER OVAL.

And the leisure time that a SUPER OVAL will bring to you. So easy to keep clean. The enameled oven can be washed like a china dish—and the annealed gun-metal finish cooking top can always be kept gleaming. And colors! Gray and white, ivory and green, ivory and tan—a combination to complete the decorative scheme of any kitchen.

See the SUPER OVAL before you buy a range—study its deep oval fire box, examine its roomy oven. And remember this. In its new design with long single fire, ash door cover, with its modern *chrome, nickel* handles, it is absolutely the last word in design and appearance.

In a far, northern settlement, a man meets with a serious accident. Were it not for the Red Cross, this, and scores of other sick and injured people, would be without medical or hospital care.

But the 75 Red Cross Outpost Hospitals are ever ready to serve isolated settlers. Last year over 70,000 patients received treatment through these hospitals.

This is part of the work YOUR Red Cross is carrying on. You are asked to help save lives on these lonely frontiers, to provide assistance to crippled veterans, to send relief wherever disaster strikes, to support the Red Cross Free Blood Transfusion Service, to extend help to suffering humanity everywhere.

The Red Cross work being carried on in a thousand ways is made possible by you and thousands of other Canadians. Give willingly, generously. Give now!

*Red Cross services also include: Treatment for Crippled Children, Nutrition Services, Home Nursing Courses, Swimming and Water Safety, Women's Work Activities, etc.*
