

# Lots of Pieces Heart Map

## What to do:

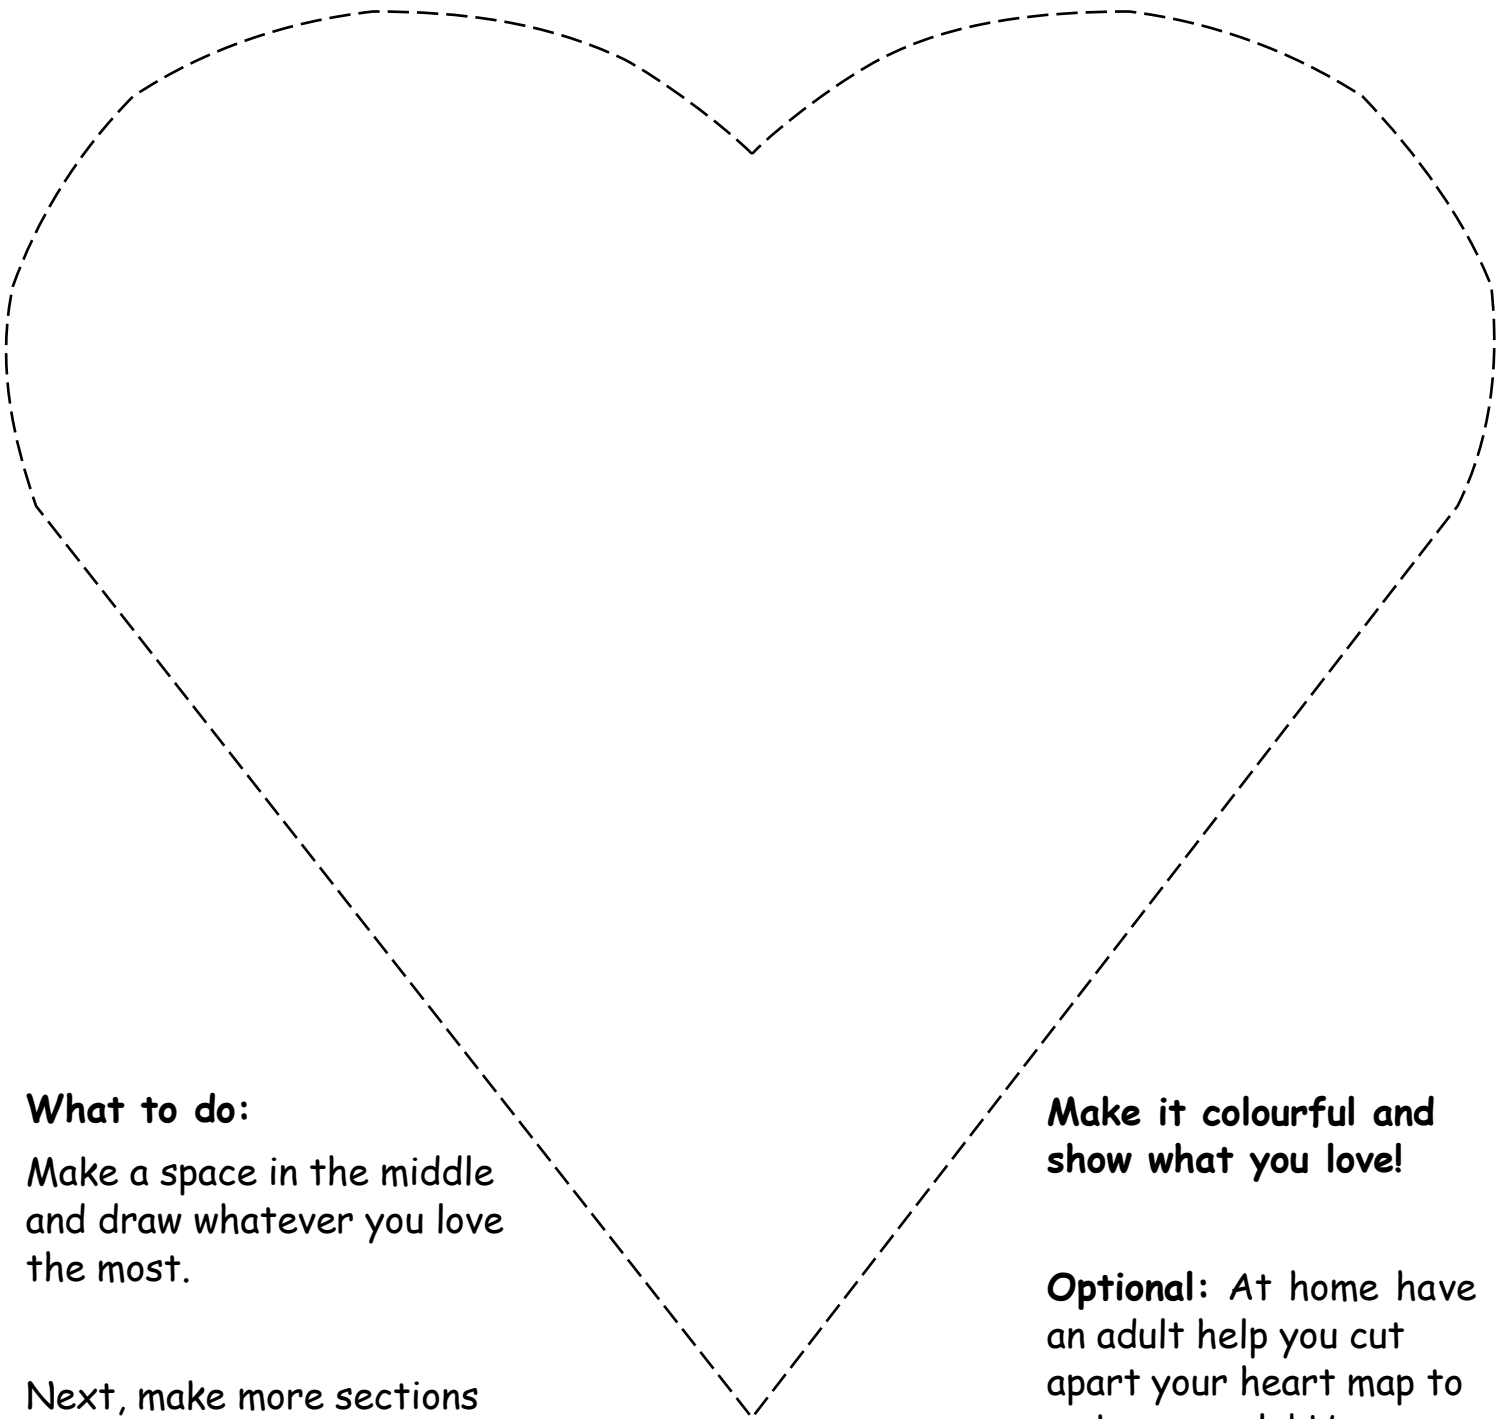

In the middle heart draw a picture of whatever you love the most.

Next, think about other things you love or care about. Draw pictures of those things in the other sections.

**Make it colourful and show what you love!**

**Optional:** At home have an adult help you cut apart your heart map to make a puzzle! Have a friend or family member put it together.

# Custom Heart Map

## What to do:

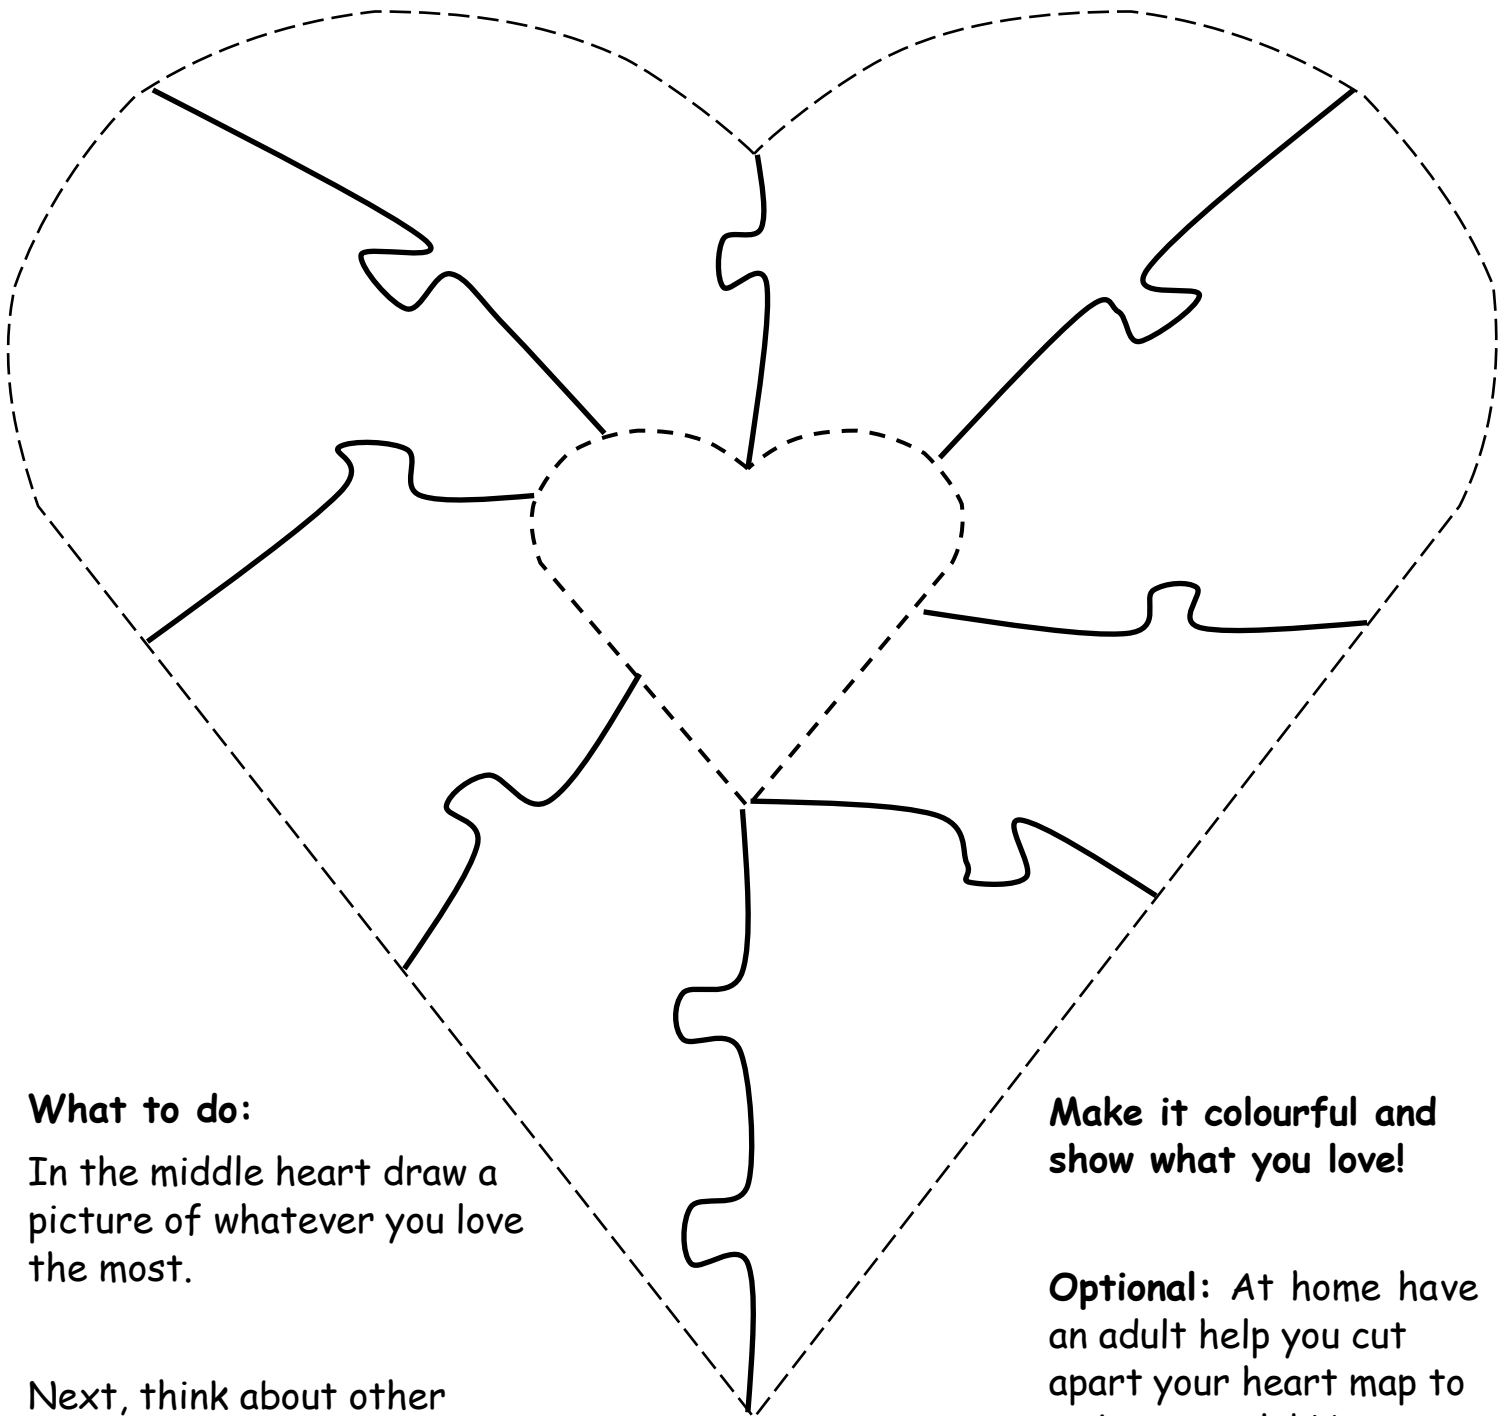

Make a space in the middle and draw whatever you love the most.

Next, make more sections and draw pictures of other things you love or care about.

**Make it colourful and show what you love!**

**Optional:** At home have an adult help you cut apart your heart map to make a puzzle! Have a friend or family member put it together.

# Just a Few Pieces Heart Map

## What to do:

In the middle heart draw a picture of whatever you love the most.

Next, think about other things you love or care about. Draw pictures of those things in the other sections.

**Make it colourful and show what you love!**

**Optional:** At home have an adult help you cut apart your heart map to make a puzzle! Have a friend or family member put it together.
